

## PASTOR'S COLUMN

Since my first day in Canisteo, I have felt welcomed. Thanks to so many of you who have helped to make this happen. It is so exciting for me to serve the Lord alongside you in this way. God has lead both you and me to this particular point in our service to Him.

During Lent the sermon series has focused on journey, both Jesus' journey and our journey. Lent has been a time for each of us to examine our own relationship with God and reflect on how to continue to be faithful followers. As we continue our journey together as new pastor and congregation, we will take some time to learn more about each other, to appreciate where you as a congregation have been, enjoy where we are and to look with hopeful anticipation to our future.

I am looking forward to working with all of you. If you have suggestions for hymns, sermon topics, activities or just want to share with me what is happening in your life please give me a call. Feel free to call the office or my cell phone anytime.

Together with you in His service-  
Michelle
